Notes:

- 1 The Security interest against the claimed amount will be verified during verification of claims and it will be updated in the next version of list of creditors.
- 2 The IRP has received the claims in form B against ticket refund from individuals / agents / IATA / travel aggregators etc.
The IRP is in the process of collating and verification of the claims; mere acceptance of the claim forms does not imply that the claim has been admitted.
The nature and legal validity of refund claim depends on several factors such as:
 - the terms of the contract you have with the travel agents (including International Air Transport Association ('IATA') registered travel agents) or any online portal aggregator (as the case may be);
 - the contract with IATA that relevant travel agents may have entered into;
 - or the contract that has been entered into by travel agents and IATA with Jet Airways (India) Limited ("Company") (as the case may be);
 - the stage at which any breach has been alleged and the relevant parties to the alleged breach;
 - whether the ticket was booked via cash or credit card directly from the website of Jet airways or through jet airways ticket counter.
