Annexure 3 and 4 List of operational creditors (Workmen and Employees)

1) These claims have been verified basis the claims submitted by various employees, workmen and their authorized representative(s) in the liquidation process of the Corporate Debtor. Only those claims which were received by the 26th December 2024, i.e. the last date for submission of claims, or where delay has been condoned by the Hon'ble NCLT have been verified. In Company Appeal (IBC)/38(MB) 2025, the Hon'ble NCLT vide order dated 24th September 2025 condoned the delay in filing claims by (i) Martin Fasanek, (ii) Karel Macko and (iii) Low Kock Yong and directed the Liquidator to consider the and adjudicate the claim of the aforementioned on its own merits. In accordance with the abovementioned order , claims have been verified basis the claim forms submitted along with supporting documents, as received by the Liquidator.

2) In the event that any employee/ workman was unable to submit their claims prior to 26th December 2024, the claim submitted by such employee/workman during CIRP of the Corporate Debtor has been deemed to be submitted during the liquidation process of the Corporate Debtor in accordance with Section 38 of IBC read with Regulation 12 of the Liquidation Regulations.

3) In cases, where the multiple/ duplicate claims of employees/ workmen have been submitted by the employee themselves and also by their authorised representatives, then the claims submitted by the employee themselves have been considered as submitted for the purpose of collation of claims and the claim filed by the authorised representative has been disregarded to the extent of such duplication.

4) Claims submitted by employees/ workmen who were not in the employment of the Corporate Debtor as per the records available with the Corporate Debtor have not been admitted, including claims submitted by employees of Jet Lite (India) Limited, a separate legal entity. It may be noted that IA No. 5729 of 2025 has been filed by certain employees of Jet Lite (India) Limited with prayer *inter alia* to direct the Liquidator to accept, admit and adjudicate their claims as a part of the claims to be distributed under the liquidation of the Corporate Debtor with parity of treatment to similarly placed employees of the Corporate Debtor, same is under process. The abovementioned IA is pending as on date.

5) From the data available on record and the information provided by the erstwhile resolution professional of the Corporate Debtor, post the commencement of the CIRP of the Corporate Debtor, a team of employees/ workmen were identified who were retained for the preservation of assets and management of the Corporate Debtor (these employees are referred to as "Asset Preservation Team" or "APT"). The audited financial statements of the Corporate Debtor for the period 31st March 2021 as signed by the erstwhile resolution professional carried note as reproduced below:

   > *"During the CIRP i.e. post 20th June 2019 salaries and other benefits of only employees part of Asset Preservation Team (a team formed by the erstwhile Resolution professional based on recommendation of functional heads to safeguard and preserve the value of the assets of the corporate debtor) has been accrued and accounted for in the books of account, since their services have been utilised during the CIRP period"*

   In the absence of continuation of airline operations of the Corporate Debtor, the services of various employees and workmen were not required (these employees being referred to as "Non – APT Members").

   On October 21, 2022, the Hon'ble NCLAT, New Delhi bench passed an order in the matter of ***Jet Aircraft Maintenance Engineers Welfare Association v. Ashish Chhawchharia and Ors***, [Company Appeal (AT) (Insolvency) No. 752 of 2021] concerning *inter alia* payment of salary, gratuity and provident fund dues to the workmen and employees of the Corporate Debtor ("**No Work No Pay Order**"). The No Work No Pay Order was upheld by the Hon'ble Supreme Court ("**SC**") *vide* order dated 30th January 2023 in ***Jalan Fritsch Consortium v. Regional Provident Fund Commissioner and Anr,*** [Civil Appeal No 407 of 2023 with Civil Appeal Nos 465-469 of 2023];

   The Hon'ble National Company Law Appellate Tribunal in the case of Jet Aircraft Maintenance Engineers Welfare Association v. Ashish Chhawchharia, Resolution Professional of Jet Airways (India) Ltd. & Ors. in Company Appeal (AT) (Insolvency) No. 752 of 2021 noted that:

   > "*The Corporate Debtor had stopped its airline operations since April 2019 and during CIRP period till the approval of Resolution Plan, Corporate Company Appeal (AT) (Insolvency) Nos. 752, 643, 792, 801 915 of 2021, 361, 771 & 987 of 2022, 107 Debtor was not a going concern. There is no material on*

record to indicate that Corporate Debtor was a going concern during CIRP period. The Hon'ble Supreme Court has clearly laid down in the above case that dues towards wages and salaries of only those workmen and employees who actually worked during CIRP are to be included in the CIRP Costs. We, thus, do not find any error in not including the aforesaid claim of salary and wages of the workmen and employees after insolvency commencement date."

The Hon'ble Supreme Court in the case of Sunil Kumar Jain & Ors. vs. Sundaresh Bhatt & Ors. – (2022) SCC OnLine SC 467 has observed that:

"*That the wages/salaries of the workmen/employees of the corporate debtor for the period during CIRP can be included in the CIRP costs provided it is established and proved that the interim resolution professional/resolution professional managed the operations of the corporate debtor as a going concern during the CIRP and that the workmen/employees concerned of the corporate debtor actually worked during the CIRP and in such an eventuality, the wages/salaries of those workmen/employees who actually worked during the CIRP period when the resolution professional managed the operations of the corporate debtor as a going concern, shall be paid treating it and/or considering it as part of CIRP costs and the same shall be payable in full first as per Section 53(1)(a) IBC*".

Accordingly, based on the notes to accounts and the legal opinions obtained by the Liquidator from his legal counsel, AZB & Partners, supported by relevant case laws and judicial precedents, the claims submitted by the Non-APT Members cannot exceed the amounts claimed as on the ICD, except to the limited extent of any additional amount arising on account of interest accrued on gratuity. The claims submitted by the Non-APT Members have been duly verified, and the amount of claim admitted (including paid leave), as computed by the erstwhile resolution professional as on the ICD, remains unchanged as on the Liquidation Commencement Date for such Non-APT Members. The only addition to the claim as on the Liquidation Commencement Date is the interest component on gratuity, computed in accordance with the provisions of the Payment of Gratuity Act, 1972.

Further, as per the records available with the Corporate Debtor, upon approval of the resolution plan, the continuing employees tendered their resignations from the employment of the Corporate Debtor and were subsequently issued fresh appointment letters by the Corporate Debtor. As per the payroll and HR records, no gratuity liability has been accrued by the Corporate Debtor after the approval of the resolution plan. The unpaid gratuity dues up to the date of approval of the resolution plan in respect of the APT Members were classified as unpaid CIRP costs by the erstwhile resolution professional and have been paid to the respective employees during the liquidation period.

6) On perusal of the claims filed by the employees / workmen, it is observed that interest has also been charged by the workmen/employees on the entire amount of the salary claimed as outstanding as on the Liquidation Commencement Date. It is noted that Section 7 of the Payment of Gratuity Act, 1972 ("Gratuity Act") states that if the amount of gratuity payable is not paid by the employer within the period specified in Section 7(3), of the Gratuity Act, the employer shall pay, from the date on which the gratuity becomes payable to the date on which it is paid, simple interest at such rate, not exceeding the rate notified by the Central Government from time to time for repayment of long-term deposits, as that Government may, by notification specify. The notified interest is 10% p.a., as per the notification no. S.O. 874(E). Accordingly, as per legal opinion, interest @10% p.a. has been admitted on the gratuity portion of the employee's claim from the date on which the gratuity became payable under Section 7(3) of the Gratuity Act till the Liquidation Commencement Date as per applicable law.

7) The information on the date of discharge of employees/ workmen has either been provided by the erstwhile resolution professional of the Corporate Debtor or is extracted from the records of the Corporate Debtor. The same has been used for the purpose of calculation of interest on gratuity forming part of the claim. For instances where the date of discharge of employees/ workmen has not been made available by the Corporate Debtor, or by the erstwhile resolution professional, the ICD has been considered as the date of discharge of the respective employee/ workmen for the purpose of interest calculation.

8) The unpaid provident fund ("PF") dues included in the claim submitted by the employees/workmen has been dealt with in the claim submitted by the Employees' Provident Fund Organisation ("EPFO") and is not included from the workmen/employee claim.

9) As per the records available, the salaries, inclusive of all applicable statutory dues, payable to the workmen who were part of the Asset Preservation Team for the period commencing from the ICD until the Liquidation Commencement Date, were duly discharged by the Corporate Debtor within the prescribed statutory timelines.

10) Other than the dues outstanding as on the ICD—already admitted by the erstwhile resolution professional—and the gratuity accrued during the period between the ICD and the date of approval of the resolution plan, there were no outstanding dues payable to the workmen forming part of the Asset Preservation Team as per the records of HR. The gratuity portion from the ICD till the plan approval date classified as CIRP cost has been paid during the liquidation process.

11) Accordingly, the claim amount as on the Liquidation Commencement Date for the workmen forming part of the APT represents the amount admitted as on the ICD, excluding the PF component and the interest on gratuity.

12) Claim filed by Bharatiya Kamgar Karmachari Mahasangh ("BKKM")

a) The Hon'ble SC, in its judgement dated 25th July, 2023 (Civil Appeal No. 4404 of 2023, Bharatiya Kamgar Karmachari Mahasangh v. Jet Airways (India) Limited) ("SC Kamgar Order"), held that workman who has completed 240 days of service in an establishment is entitled to permanent status, and no contract or settlement can dilute this right. As a result, in this case, 169 affected workmen are to be treated as reinstated/re-employed with the Corporate Debtor with entitlement to back wages. The Supreme Court set aside the earlier CGIT award and the Bombay High Court judgment.
b) Although the judgement predates the commencement of liquidation, paragraph 17 of the SC Kamgar Order clarifies that ongoing proceedings under the IBC, have no bearing on the judgement, as the issue decided was independent of the insolvency process. No challenge was made to the SC Kamgar Order by the Corporate Debtor during the MC period.
c) Accordingly, the claim was submitted as on Liquidation Commencement Date by the BKKM on behalf of the 121 out of the 169 workmen pursuant to the SC Kamgar Order. The claim has been computed and admitted from the date of the termination till the Liquidation Commencement Date as for the other workmen.
d) Communication on claim admitted for the BKKM along with reasons for the same have been sent to them on 30th January 2026.

13) Claim filed by Manoj Kumar Das on behalf of 296 workmen of the Corporate Debtor

The Hon'ble NCLT vide its order dated 4th February 2026 directed the Liquidator to determine and adjudicate the claim file by Manoj Kumar Das on behalf of 296 workmen pursuant to a recovery certificate dated 16th May, 2019 in relation to unpaid salary from January to March 2019, on its merits. It may be noted that the claims of the employees forming part of the recovery certificate have been duly admitted by the Liquidator based on the payroll data available with the Corporate Debtor, and as per the information shared with the Liquidator by the erstwhile resolution professional and are accordingly made part of the list.

Annexure-3

Name of the Corporate Debtor: Jet Airways (India) Limited **Date of commencement of Liquidation : 26-11-24** **List of stakeholder as on :10-02-26**
